GOD IS CALLING US TO BUILD A LEGACY IN FRANKLIN, TENNESSEE

“Four years ago, in the open vision that I had, God showed me land. He showed me a school, a retreat center, and a community sending center. He literally showed me a place of Kingdom Unity.”

— *Joanne Moody*

On this land, we will train people who are passionate lovers of Jesus for the Kingdom and raise up apostles, prophets, evangelists, pastors, and teachers.

WE BELIEVE IN KINGDOM UNITY

God told us to run schools, within schools, within schools. We plan to have a retreat center for leadership training, which will also serve as a physical location for our LIFE School. We desire to have an open base for our partners in ministry, like YWAM, Iris Global, and so many others, where they can train and equip the saints for the work of the ministry.

LIFE SCHOOL

An in-person LIFE School is one of the most exciting things we'll be doing on the property. Our online LIFE School has trained hundreds of people in the last 3 ½ years. Our students have entered prisons and hospitals and brought the Kingdom of God to earth.

One graduate touches one life, and that life touches another life. We have seen that, within seven years of LIFE School, we can reach 15 million people for the Gospel of Jesus Christ.

Imagine a place where you can be trained and equipped to influence others with the love of Jesus. God uses ordinary people to do extraordinary miracles!
